Dear Friends,

In 1999, the Darrell Armstrong Foundation for Premature Babies, Inc. was established following the birth of Darrell's youngest daughter who was born two months prematurely. His vision is to provide quality child development services to premature babies and the needed education to their parents.

As of early 2012, we have expanded with two Darrell Armstrong Centers for Pediatric Rehabilitation (within Central Florida) serving the needs of premature children beginning at age three, that suffer from developmental problems. Premature births can contribute to developmental, physical, social, learning, sensory and behavioral concerns through childhood and adolescence. We provide free service for low-income families with no or minimal coverage of health insurance. As we continue to grow we look for new and innovative ways to raise funds for our mission to assist families of premature babies in their efforts to raise healthy children, so they may recognize the gift of love that God has given them.

The Darrell Armstrong Foundation for Premature Babies, Inc. will hold a live and silent auction at our upcoming **19<sup>th</sup> Annual Darrell Armstrong Classic Weekend on August 18 -19, 2018**, to raise funds for our critical services that are provided for the children and families in our community. As such, we ask that you partner with us by donating an item to be auctioned off at the event. Your commitment will ensure that all children in our community who have been born premature receive the treatment they need.

Many corporations and organizations have wholeheartedly supported our work resulting in the growth of our critical programs and the development of new initiatives designed to help children. We hope to be able to count on your commitment to make the upcoming event an even bigger success this year. If you are interested in donating to this year's auction please contact us at [dafpb10@gmail.com](mailto:dafpb10@gmail.com) or 407-252-3333.

On behalf of the Darrell Armstrong Foundation for Premature Babies, Inc., we truly appreciate your thoughtful consideration and support of the 19<sup>th</sup> Annual Darrell Armstrong Classic Weekend.

Respectfully Yours,

Thomas Rascoe  
Executive Director  
Darrell Armstrong Foundation for Premature Babies, Inc.
