2018 19th ANNUAL DARRELL ARMSTRONG CLASSIC WEEKEND

Presented by Wayne Densch Charities

Dear Friends:

The Darrell Armstrong Foundation for Premature Babies, Inc. is excited to present the 19th Annual Darrell Armstrong Classic Weekend on August 19, 2018.

The Weekend events will include a Silent Auction and Bowling Tournament at Aloma Bowl Winter Park. Proceeds from the Classic Weekend will benefit the Darrell Armstrong Foundation for Premature Babies, Inc. as we work to improve the lives of premature children and their families.

As of early 2012 we have expanded with two Darrell Armstrong Centers for Pediatric Rehabilitation (within Central Florida) serving the need of premature children beginning at age three years old that suffer from developmental problems. Premature birth can contribute to developmental, physical, social, learning, sensory and behavioral concerns throughout childhood and adolescence. We provide free service for low-income families with no or minimal coverage of health insurance. As we continue to grow we look for new and innovative ways to raise funds for our mission to assist families of premature babies in their efforts to raise healthy children so they may recognize the gift of love that God has given them. With your support we will be able to help more families throughout the Central Florida community.

Sincerely,

**Darrell Armstrong, President/Founder
