THANKSGIVING DINNER GIVE-AWAY

Sponsored by Buddy's Home Furnishings

Salutations:

On your Marks, Get Set, DONATE! The Darrell Armstrong Foundation for Premature Babies, Inc. is excited to provide underprivileged families in the Eatonville, Parramore, Pine Hills and Washington Shores communities with a Thanksgiving dinner complete with a turkey and all the fixings; but this cannot be done without your assistance. In order to feed a family of four (4) the cost is approximately ***\$40 per family*** and we are requesting your donation(s) to make this possible.

With your help, last year the foundation met its goal of providing 160 families with a complete Thanksgiving dinner and we are looking for a repeat in 2016! Let's team up and solicit family members, friends, private business owners, neighboring churches, and community centers to join our efforts of providing 160 families with Thanksgiving dinner. Once all sponsorships have been collected and food purchased; Board members of the Darrell Armstrong Foundation for Premature Babies, Inc. and community volunteers will distribute the dinners accordingly.

Event details are as follows:

When: Tuesday, November 21, 2017

Where: Boys & Girls Club-Eatonville (3:30PM) Callahan Neighborhood Center (4:30PM), Frontline Outreach Center (5:30 PM), Pine Hills Neighborhood Center (6:30PM).

*****NOTE***** Dinner includes: a turkey, bread/rolls, vegetables, dessert, and a drink. We are in need of 160 turkeys, 320 cans of vegetables, 160 packages of rolls, 160 boxes of Instant Potatoes, 160 boxes of Stuffing, 160 pies, and 640 drinks for this event.

Thank you in advance for your donation, your assistance with making this year's goal a success and for partnering with us to nurture our community.

Thomas Rascoe, Jr.
Executive Director
